CO-PAYS

The patient is expected to present an insurance card at each visit. All co-payments and past due balances are due at time of check-in unless previous arrangements have been made with a billing specialist. We accept cash, check or credit cards. Absolutely no post-dated checks will be accepted. Failure to comply with our copay policy will result in a cancelled appointment.

INSURANCE CLAIMS

Insurance is a contract between you and your insurance company. In most cases, we are NOT a party of this contract. We will bill your primary and secondary insurance company as a courtesy to you. In order to properly bill your insurance, we require that you disclose all insurance information including your primary and secondary insurance coverage, as well as any change of insurance information. Failure to provide complete insurance information may result in patient responsibility for the entire bill. Although we may estimate what your insurance company may pay, it is the insurance company that makes the final determination of your eligibility and benefits. If your insurance company is not contracted with us, you agree to pay any portion of the charges not covered by insurance, including but not limited to those charges above the usual and customary allowance. If we are out of network for your insurance company and your insurance pays you directly, you are responsible for payment and agree to forward the payment to us immediately.

PARTICIPATING INSURANCES

If your insurance plan is one with which we are not a participating provider, you will be responsible for payment in full. However, as a courtesy, we will file your initial insurance claim and if not paid within 30 days you will be responsible.

REFERRALS AND PREAUTHORIZATION

Certain health insurances (HMOs, POs, etc.) require that you obtain a referral or prior authorization from your Primary Care Physician (PCP) before visiting a specialist. If your insurance company requires a referral and/or preauthorization, you are responsible for obtaining it. Failure to obtain a referral and/or preauthorization may result in a lower or no payment from the insurance company, and the balance will be your responsibility. Alternative payment arrangements or rescheduling of your appointment may be necessary if not obtained.

SURGERY PREPAYMENTS

Comprehensive Urologic Care, SC collects your payment for a surgery at the time when the surgery is scheduled. Your prepayment is based on an estimate of your expected financial responsibility. This is an estimate only. You are responsible for any unpaid balance after your insurance has been billed. We reserve the right to reschedule your surgery until prepayment has been made.

CANCELLATION POLICY

The patient will receive an automated notification (email, text, or phone call) 72 hours prior to the scheduled visit as a reminder. Please note, as time has been reserved for you, we require a 24-hour notice for all canceled appointments. When patients do not show up as scheduled it is disruptive to the provider, staff and other patients. We respect your time and appreciate your understanding in this manner. For a patient who who cancel with less than 24 hours notification or does not show for their scheduled appointment a non-refundable charge will be assessed to the patients account based on the type of appointment: X-ray ($75.00), Established Patient Visit ($100.00), Procedure/Imaging: CT and Ultrasound/urodynamic ($250.00) and New Patient Visit ($300.00). This fee is non-billable to insurance plans.
